### Build with Strength Updates Monthly Advocacy Report

The new Build with Strength (BWS) Monthly Advocacy Report has been updated; each month it outlines the state and local measures BWS is actively tracking and working on for the ready mixed concrete industry. There is no shortage of pro-wood industry activity at the state and local level. Stay informed, organize and activate!

#### **Admixtures On The Go!**

Quality control doesn't end at the plant. When you need to make corrections on the road or at the job, you want something that is fast, reliable, and easy to use. With Fritz-Pak Concrete Admixtures, you can make simple adjustments to air entrainment, slump, and set time. Our patented water-soluble bags are designed to make it easy for anyone to adjust the mix. Stop losing loads and start making better concrete today!

### **OSHA 300A Injury/Illness Electronic Reporting Due July 1**

Facilities with between 20 and 249 employees will need to electronically report to OSHA on Form 300A their summary of injuries and illnesses from 2017 no later than Sunday, July 1.

[Click here](#) for more information on and how to complete the electronic submission. You may also contact Gary Mullings at [gmullings@nrmca.org](mailto:gmullings@nrmca.org) or Kevin Walgenbach, [kwalgenbach@nrmca.org](mailto:kwalgenbach@nrmca.org).

### **Nominations Still Sought for Second Annual Safety Awards**

The NRMCA's Annual Safety Award acknowledges the significant contribution that safety work practices gives to the growth and success of individual companies and the ready mixed concrete industry as a whole. The NRMCA Annual Safety Award is presented to an individual or company whose actions represent the very highest in the advancement of safety in the ready mixed concrete industry. The award program is generously sponsored by the Truck Mixer Manufacturers Bureau (TMMB).

## **Drivers Sought for 2018 National Mixer Driver Championship**

This year's NRMCA National Mixer Driver Championship will take place on Saturday, September 29, during NRMCA's ConcreteWorks being held at the Gaylord National Resort & Convention Center, National Harbor, MD. The registration form for drivers looking to participate in NRMCA's National Mixer Driver Championship 2018 is now available; please note that the registration form and payment for entering drivers into the championship are both due Wednesday, August 1.

[Click here](#) for registration information and entry form. For more information, contact [Gary Mullings](#), [Jessica Walgenbach](#) or [Meghan Callahan](#).

## **Represent Your Company at This Year's National Mixer Driver Championship**

This year's Mixer Driver Championship brings an even more enhanced sponsorship program. With the continued growth of the event, sponsorship opportunities for members and non-members have been expanded. Please review the new sponsorship program opportunities and circulate them within your company and to any outside vendors you deem appropriate.

Enhanced sponsorship opportunities include entertainment and activities, driver spouse appreciation, tenting, DJ, beverage station, course challenges and many more.

[Click here](#) to review the 2018 sponsorship program and contact Jacques Jenkins at [jjenkins@nrmca.org](mailto:jjenkins@nrmca.org) for more information.
