

Deliver differences your employees can see

Vision coverage is a benefit employees value — and need. That's why MetLife and the Illinois Chamber of Commerce are working together to deliver vision plans tailored for chamber members with 2-99 employees.

Offer MetLife Vision coverage to provide your employees with features that matter.

- **Convenient access:** A provider network of more than 4,300 access points in Illinois, including both private practice and retail center locations ¹
- **Cutting-edge expertise:** MetLife's plans include standard features that are only offered as options by other carriers.
- **Real savings:** ² Participants and their covered family members may save on premiums and out-of-pocket costs on eye exams, prescription glasses, sunglasses or contacts.

¹ MetLife internal data as of December, 2017.

² Actual savings from enrolling in the MetLife Vision Plan will depend on various factors, including plan premiums, number of visits to an eyecare professional by a family each year and the cost of services and eyewear received. Be sure to review the Schedule of Benefits for the plan's specific benefits and other important details.

Availability of products and features are based on MetLife's guidelines, group size, underwriting and state requirements.

Like most group benefits programs, benefit programs offered by MetLife contain certain exclusions, exceptions, waiting periods, reductions, limitations and terms for keeping them in force.

Dental benefits are underwritten by Metropolitan Life Insurance Company, New York, NY.

Certain vision claim and network administration services are provided through Vision Service Plan (VSP), Rancho Cordova, CA. VSP is not affiliated with Metropolitan Life Insurance Company or its affiliates.
