Harness the Power of Productive Conflict - Properly Utilizing the DiSC Assessment

This 3-hour interactive introduction workshop to the Everything DiSC Productive Conflict will walk you through the process of the Everything DiSC Productive Conflict assessment with your information. Elaine Hand of Innerview Inc., will be the seminar presenter.

Tuesday, May 22 | 8:30am-11:30am | Naperville, IL

Get the Chance to analyze your own DiSC assessment to utilize in the workplace, with help of Elaine Hand of Innerview inc.

She will assist with giving a way to utilize those results in solving workplace conflicts that will be specific to your results.

This 3-hour interactive introduction workshop to the Everything DiSC Productive Conflict will walk you through the process of the Everything DiSC Productive Conflict assessment with your information. We will show you the impact this assessment can have in the workplace. Attendees will take the DiSC assessment and will receive their results the day of the seminar.

Join this seminar with additional employees to compare within the company.
