

SYSDYNE - March 2023

WEBINAR: How Interoperability Changes the Game - Value Beyond Cloud-Native Technology

Thank you to those who joined us for our **LIVE** webinar yesterday! We know you're busy, and we appreciate your taking the time to join us online. If you were unable to attend, the webinar is now available on our website **on-demand**.

Watch our webinar recording as we decode the buzzwords and prepare you to make informed decisions for your company. **Reach out** to us with any unanswered questions you may have, and keep an eye out for our next **LIVE** webinar!
