

## Highlight Week of December 15th

Tuesday, December 15th 1:00 PM CST

### **Jobsite Tech to Drive Value for Heavy Work Supply Chain**

Dex Bachelder and Steve Cox | Command Alkon

Keith Churchill | Bechtel Corporation

Doug Jackson | Kokosing Construction Company

Giulio Bruttini | Lane Construction

Joseph Farhat | Atollogy

Listen in on a panel discussion from Technology Days 2020 where leaders in jobsite innovation discuss how eTicketing and Electronic Proof of Delivery, combined with other advanced asset tracking technologies, help to manage materials yield on projects, eliminate costly manual tasks on the jobsite and across the supply chain, and keep jobs humming along.
