

SYSODYNE - May 2023

## Elevate, Simplify, and Unify Operations with Customer Experience Live Webinar Wednesday, June 7 at 12 PM ET

In this webinar, learn how an open API approach allows for seamless two way communications between ready mix software solutions such as **Slabstack** for customer relationship management and **ConcreteGO®** for dispatch operations. Automated workflows remove time consuming manual, error-prone processes and improve customer management capabilities, productivity, and more. See the integration between Slabstack and Sysdyne live and learn how to build your tech stack, your way, for a better day-to-day.

The banner features the Sysdyne and Slabstack logos at the top left. The background is dark with a subtle gear pattern. The main title "ELEVATE, SIMPLIFY, AND UNIFY OPERATIONS WITH CUSTOMER EXPERIENCE" is centered in large white capital letters. Below it, the subtitle "LEVERAGING OPEN, FLEXIBLE, CLOUD-NATIVE PLATFORMS TO CAPTURE VALUE FAST" is in smaller white capital letters. The date and time "Wed, Jun 7 | 12:00 PM ET" are displayed in orange. A prominent orange "REGISTER NOW" button is located at the bottom right.

Can't make it? Don't want to wait until the webinar? [Email us](#) to learn more about an open API approach and our integration with Slabstack now.
