

SYSDYNE - March 2023

Be a Part of the AFTER PARTY with Up to 25% Off When You Adopt the Big Three - CloudBatch, ConcreteGO, and iStrada

Our booth at CONEXPO-CON/AGG was packed out with so many wanting to see our interoperable **product suite**! With so much interest in our Cloud-Native suite in its entirety, we heard you, and we're keeping the party going just a little longer.

We're offering new customers up to 25% OFF* your first year pricing when you adopt **CloudBatch, ConcreteGO, and iStrada, now before April 30.**

How Can the Big Three Help You?

1. Batch anytime, from anywhere with **CloudBatch**, the world's first and only Cloud-Native concrete batching system.
2. Up your efficiency game with **ConcreteGO** for Cloud-Native central dispatching with no need for hardware, network setup, or upgrades.
3. Revolutionize the way you deliver with **iStrada** for GPS, eTicketing, and more. Includes our tried and true customer portal with easy app access!

Email Us Now to take advantage of this limited time offer or to book your demo today.
