## World of Concrete 2023 Is Just a Month Away!

Will you be attending World of Concrete 2023 next month? If so, be sure to stop by our booth at **North Hall – N1669**

Leading Cloud solutions provider in the ready-mixed concrete industry, Sysdyne Technologies, will be exhibiting at the annual World of Concrete trade show in Las Vegas, NV in January, 2023. World of Concrete is a trade show for the commercial construction industry held every year in January or February in Las Vegas, Nevada. The World of Concrete exhibition and conference will take place January 17-19, 2023 at the Las Vegas Convention Center.

This trade show is an event where products, resources, and information related to concrete construction are shared and displayed. More than 1,800 companies and suppliers from all over the world come together in the 900,000-square-foot (84,000 m<sup>2</sup>) Las Vegas Convention Center to show, demonstrate, do business, and answer questions about what they are showing.

Stop by booth **N1669** to speak to our representatives at World of Concrete 2023. We hope to see you there!
