

Hi there,

I hope you had a good time at NRMCA's virtual ConcreteWorks 2020!

We had a great time chatting with everyone, and wanted to follow up with just a few notes in case we missed you.

Per ticket enterprise bundles for Integra and COMMANDseries reduce up front expenditures, simplify licensing, and allow you to scale your operations with ease. [Learn more now!](#)

COMMANDassurance offers real-time insight into the properties of your fresh concrete during the entire delivery cycle. [Learn more now!](#)

TrackIt is designed specifically for the construction materials industry and provides live visibility into your fleet's location, jobs, and performance. Ask about our new Delivery Cycle Monitoring capability for completing automation unload and wash statuses. [Learn more now!](#)

CONNEX Essentials means eTickets and ePOD are made available in real time via the CONNEX Platform. Get connected and start sharing with your supply chain partners today. [Learn more now!](#)
