**Hazard Communication Review**

As part of the list of top 10 OSHA violations, Hazard Communications consistently ranks in the top 5. Businesses fall short of hazard communication compliance for any number of reasons, so in the first of a two-part series we'll review the basics of what you need to know.

Watch this video now to learn about:

- Why do you need a Hazard Communication Program?
- What do the regulations say?
- Container labeling and SDS sheets
- Storage and safety precautions
- General First Aid and PPE
